Re: Church of Scientology vs. Armstrong

Dear Mr. Peterson:

This letter will serve to confirm our telephone conversation of November 7, 1986, wherein it was agreed that the depositions of Eugene Ingram, presently set for November 13, 1986, and the deposition of Officer Philip Rodriguez, presently set for November 14, 1986, will be continued.

The continuances were requested by you on the grounds that you have commitments in Washington, D.C., on November 12, 1986, and will not be returning until November 13, 1986. Further, you represented that Mr. Ingram will be out of town on November 13, 1986, as well.

Based upon your representation that Mr. Ingram will appear for his continued deposition without the necessity of service of a second subpoena, I have agreed that you will provide me with alternate dates for his continued deposition. With respect to Officer Rodriguez, I will contact the Los Angeles Police Department regarding continuance of his deposition.

For the record, I request that you obtain a signed statement by Mr. Ingram that he will appear on the date we select for his deposition without the necessity of service of a second subpoena. Please provide this statement to me before November 13, 1986.

It was further agreed that the hearing on your client's Motion for Summary Adjudication will be advanced for hearing to either November 17 or 18, 1986. I will take responsibility for telephoning Rosie to secure either date.

Very truly yours,
